# 1 Objective

---

The Board of Directors of Yancoal Australia Limited (**the Company**) is responsible for the overall management of the Company, including guidance as to strategic direction, ensuring best practice corporate governance and oversight of management. The Company recognises that people are its most important asset and is committed to the maintenance and promotion of workplace diversity at all levels of the organisation.

Diversity drives the Company's ability to attract, retain and develop the best talent, create an engaged workforce, deliver the highest quality services to its customers and continue to grow the business.

The Nomination and Remuneration Committee has developed, and the Board has formally approved, the Diversity Policy (**Policy**) in order to address the underrepresentation of women in senior executive positions and on the Board, and to actively facilitate a more diverse and representative management and leadership structure.

The Policy forms part of a broader diversity strategy, which includes the following policies:

- Workplace Behaviour Policy;
- Leave Policy;
- Working Flexibly Policy; and
- Parental Leave Policy.

# 2 Scope

---

This policy applies to the Company, each subsidiary and related body corporate of the Company, and any entity or mine operated or managed by the Company (including to directors, officers, employees and subcontractors).

The Company's vision for diversity incorporates a number of different factors, including gender, ethnicity, disability, age, marital or family status, religious or cultural background, sexual orientation, gender identity, educational experience and professional experience. At a Board and senior executive level, gender has been identified as a key area of focus for the Company.

Accordingly, the primary focus of this Policy is achieving, over a reasonable transition period, gender diversity<sup>1</sup> including the adequate representation of women in senior executive positions and on the Board.

The strategies outlined below aim to achieve the objectives of this Policy by:

- setting measurable objectives relating to gender at all senior executive and leadership levels; and
- broadening the field of potential candidates at all levels including for senior executive and board appointments.

---

<sup>1</sup> Gender diversity is not achieved for a single gender board

### 3 Statement

---

In order to facilitate greater diversity (including, in particular, gender diversity) in management and leadership roles, the Company will:

- introduce and supplement the measures outlined in this policy;
- implement any new policies which address impediments to diversity in the workplace;
- periodically review all relevant policies to test their effectiveness and to ensure that they are available to and utilised by both men and women at senior executive levels;
- ensure that recruitment and selection practices are appropriately structured to promote diversity;
- in order to achieve an inclusive workplace, not tolerate discrimination, harassment, vilification and victimisation; and
- monitor the effectiveness of, and continue to expand on, existing initiatives designed to identify, support and develop talented women and employees from diverse backgrounds.

### 4 Application

---

#### 4.1 Measurable objectives

Each year the Board, with the assistance of the Nomination and Remuneration Committee, will set measurable objectives for each reporting period with a view to progressing towards a balanced representation of women and achieving gender diversity on the Board, in senior executive level and across the whole Company, and assess its progress towards achieving those objectives.

The measurable objectives and performance against them will be reviewed annually by the Nomination and Remuneration Committee, as part of its annual review of the effectiveness of this Policy and whether any changes are required.

#### 4.2 Gender representation review

On an annual basis, the Nomination and Remuneration Committee will review the proportion of men and women on the Board, in senior executive positions and across the whole Company group. The Nomination and Remuneration Committee will submit a report to the Board outlining its findings.

### 5 Responsibilities

---

#### 5.1 Succession planning

Position	Responsibility
<b>Nomination and Remuneration Committee</b>	The Nomination and Remuneration Committee is responsible for the development and succession planning process for the Chief Executive Officer (CEO) and the CEO's direct reports. In discharging this responsibility, the Nomination and Remuneration Committee will have regard to diversity criteria.

## 5.2 Board appointment process

### Nomination and Remuneration Committee

Whilst skills such as leadership and previous experience as a chief executive, chair or board member of a large organisation with international operations have traditionally been prerequisites to appointment as a director, the Board recognises that other skills gained from experience in the following areas are key skills and experience which the Board as a whole should comprise:

- marketing and sales;
- policy and regulatory development and reform;
- health, safety and environment and social responsibility; and
- human resources.

The Nomination and Remuneration Committee is responsible for identifying qualified individuals for appointment to the Board. In identifying candidates, the Nomination and Remuneration Committee will have regard to the selection criteria set out in the board appointment process, which will include:

- skills, expertise and background that add to and complement the range of skills, expertise and background of the existing directors;
- the capability of the candidate to devote sufficient time and make contributions to the Company that are commensurate with his/her role and board responsibilities;
- diversity; and
- the extent to which the candidate would fill a present need on the Board.

## 6 Management

---

### 6.1 Maintenance

The Nomination and Remuneration Committee is responsible for the review and oversight of this Policy.

In executing this role, the Nomination and Remuneration Committee will, with the appropriate support and input from management:

- review on an annual basis:
  - 1 the effectiveness of this Policy, its objective and the strategies outlined above, which aim to achieve the objective;
  - 2 the relative proportion of women and men who are employed by the Group as a whole and in senior executive positions, and who are on the Board; and

- 3 the division of responsibilities and accountability for developing and implementing diversity initiatives across the organisation; and

- report to the Board on the outcomes of its review, including any recommendations for changes to those strategies or the way in which they are implemented.

## 6.2 Communication

A summary of this Policy and the Company's achievement of the Policy's objectives will be disclosed in the Annual Report.

A copy of this Policy will be available on the Company intranet and on the Company's website [www.yancoal.com.au](http://www.yancoal.com.au).

## 6.3 Monitoring

The Nomination and Remuneration Committee will monitor compliance with this Policy against the measurable objectives which the Board sets in accordance with section 4.1 of this Policy.

## 6.4 Reporting

As at the end of each reporting period, the Company will disclose:

- the measurable objectives for achieving diversity set under this Policy;
- the Company's progress towards achieving those measurable objectives; the respective proportions of men and women on the Board, in senior executive positions and across the whole Company group (including how the Company has defined 'senior executive' for these purposes);
- any mitigating factors or circumstances which make achieving gender diversion across the workforce (including senior management) more challenging or less relevant;
- the Company's most recent 'Gender Equality Indicators', as defined in and published under the *Workplace Gender Equality Act 2012* (Cth);
- how and when gender diversity will be achieved in respect of the Board;
