## Blackwater Basilisks score new sponsor

In support of the local Blackwater community, Yancoal Australia's Yarrabee Coal Mine has partnered with the Blackwater Basilisks Rugby Union Club.

The \$4,000 sponsorship will help the Blackwater Basilisks continue to nurture and grow their club and the Yancoal logo will feature prominently on the front of the jersey.

Yarrabee Coal Operations Manager Brendon Pambid welcomed the sponsorship.

"We recognise that sport unites a community and brings many of the local and the surrounding areas together and we are proud to be a part of that.

"Central Queensland is an important region for Yancoal, with our Yarrabee and Cameby Downs operations and we also currently sponsor the CQ Capras and Bluff Rabbitohs Rugby League Football Clubs. We are very excited to have the Blackwater Basilisks onboard," said Brendon.

"The Basilisks are very excited to partner with Yancoal's Yarrabee Coal Mine in 2018. It will go towards the continued growth and development of our juniors, women's, and senior men's programs. The Basilisks welcome the opportunity to partner with Yancoal into the future," said President Peter Webb.

This funding support is part of the Yancoal Yarrabee Community Support Program, which aims to make a difference in the community and in the lives of the people who work and live in the areas where it operates.
