# Media Release:

## 2026 Celebrity Golf Classic bringing the fun on the fairway

In its 12th year, the Moolarben Coal Celebrity Golf Classic is set to be a great golfing event on Friday 13 February, with all money raised going towards local community organisations.

The tournament is always a highlight in any golfer's calendar, bringing some of Australia's sporting greats to Mudgee with around 200 golfers taking part each year.

Some of the big names ready to tee off include Josh Morris, Tim Brasher, Craig Wing and Former Canadian PGA winner, Nathan Green. The headline speaker will be seven-time Paralympian, Christie Dawes.

Yancoal's partner, the Westpac Rescue Helicopter Service, is playing an active role in helping make this event happen and will be a beneficiary of the funds raised, as well as Mudgee Men's Shed, Lifeskills Plus, Kanandah Aged Care and Mudgee Junior Golf.

Mudgee Club Professional and the Classics Tournament Founder, Peter Mayson was thrilled to be hitting the golf course for charity again this year.

"In a matter of days, golfers will take to the green and enjoy a beautiful day of golf and help raise money for organisations that provide vital services in our community.

"We have golfers that have not missed a year since the classic began in 2012, it always proves to be a fantastic day," he said.

The Celebrity Golf Classic is one of Mudgee's major sporting events. The golf course will again be at capacity with over thirty teams from across NSW competing in a unique six-person ambrose tournament, followed by an evening of dinner, auction and entertainment at the Mudgee Golf Club.

Moolarben Coal Acting General Manager, Tim Slater was pleased to support the event for another year.

"Over the years, the Celebrity Golf Classic has raised more than \$650,000 for local charities and we are proud to sponsor the day again.

"It's events like this that enable us to continue to make a positive impact on the Mudgee community, while also providing an enjoyable day of golf," said Tim.
