Ashton Coal Community Consultative Committee (CCC)

Working together with our community

The Ashton Coal Community Consultative Committee (CCC) provides a forum for representatives of the local community, Singleton Council and Ashton Coal to share information and discuss mining activities, future plans, environmental performance and community concerns.

The CCC operates in accordance with the NSW Government's Community Consultative Committee Guidelines. The committee is advisory in nature and does not make regulatory or operational decisions.

The Independent Chairperson is appointed by the NSW Department of Planning Housing and Infrastructure to ensure meetings are conducted fairly and in accordance with the CCC Guidelines.
